E³UDRES²

Engaged and Entrepreneurial European University as
Driver for European Smart and Sustainable Regions

WP9 – ARENA Workshop

VISION FOR ARENA

- **Unique entry point** for EUDRES community for actions, collaboration, information
- Improved **communication, actions and collaboration** in EUDRES community at large
- Improved **information** about EUDRES activities – for all types of personas
- Improved transparency and clear process for **students, academics, researchers, staff, externals**

Technically – a collection of ubiquitous, synchronised, synergic ‘apps’ that ‘work well together in a seamless way’

Welcome to the E³UDRES² Arena!

Arena Research Hub

<https://arena.eudres.eu/research.php>

Research HUB

Research is one of the main pillars of the E³UDRES² Alliance. Within the four main research topics of "Health, Wellbeing and Social Inclusion for Regions", "Digital Solutions and (Applied) Deep Tech for Regions", "Resilient Economy and Innovation for Regions" and "Creative Industries for Region's Identity", various researchers from all the E³UDRES² institutions work together to discover new insights about these pressing topics.

More Research related information [here](#).
